

EL MOURADI

H a m m a m e t

El Mouradi Hammamet 5* is unique in its services and amenities

The hotel offers:

- 1 buffet restaurant
- 3 A La Carte themed venues
- 2 Snackbars and a fastfood
- 8 bars and cafés.

All these venues are located within the imposing infrastructure providing 2 outdoor fresh water pools, 1 outdoor sea water pool, 2 indoor pools, 2 children pools, hence an impressive 1500m² of pool areas. With prior reservation at the a la carte restaurants, all services operate within their designated venue, offering an A La Carte All Inclusive package where, unlike conventional all inclusive hotels, guest decide of where to go at any chosen time.

In addition to the in-house animation team looking after daytime activities and sports, the vast grounds of the hotel allow guests to gather around the central animation area and enjoy professional international shows in the evenings.
